"A learner's thesaurus of over 15,000 words and expressions from written and spoken British and American English with CD-ROM. The learner's thesaurus helps students distinguish between similar words and use them correctly. The 2,000 entries: - include between three and ten near synonyms, showing the differences between them in terms of meaning, grammar, register, collocations, and frequency; - help students understand the differences between familiar words, such as easy and simple, while learning expressions they may not know, such as effortless, painless, and smooth sailing; - provide over 4,000 notes to enable students to distinguish between very close synonyms, choose the best word for the context, and use it correctly; and - include over 2,000 opposites. The Oxford Learner's Thesaurus also includes: - 16 study pages, focusing on specific topics with exam-style exercises; - 8-page trainer on making the best use of the Thesaurus; and - a CD-ROM of the complete Oxford Learner's Thesaurus A-Z pages and indexes, and over 200 practice exercises." - product description.
